Our Wellness Plan for Dogs is a cost effective way to help ensure your pet is cared for and that any signs of illness are caught early. Dogs age quickly, so it's important to have your pet checked regularly throughout his or her lifetime.

Annual exams and wellness examinations are the best way to prevent disease and detect early signs of illness in your dog. Your pet is important to you and preventative health care is key to a long and healthy life. See back for a full list of inclusions.

We offer after hours emergency services through our Campus Estates Animal Hospital at 519-837-1212
