The first year of your kitten's life is a busy and important one. Our Wellness Plan for Kittens includes everything your kitten needs for preventative care in one plan. We have discounted the fees to make it more affordable. Preventative wellness examinations are the best way to prevent disease and detect early signs of illness in your kitten. See back for a full list of inclusions.

For every visit to our hospital we use our Low Stress for Pets Protocol to do all we can to make it a positive experience for your kitten! We will also give you a free Kitten Pack Starter and one free month trial of Trupanion Pet Insurance.

**We offer after hours emergency services through our Campus Estates Animal Hospital at 519-837-1212**

**PIONEER**  
PET HOSPITAL
